Step 2: Accessing Follett Shelf and Checking Out an eBook

- Tap the **Follett Shelf** icon to go to your school's Follett Shelf.
- Search for the eBook you want to read.
- Tap on the eBook cover or the **Open Book** link, and then tap **Checkout and Download Now**.

Step 3: Reading a Checked Out eBook

- a. Tap the book cover to open and read the book.
- b. To return to **My Checkouts**, tap the **Bookbag** menu option. If you don't see your latest checkouts, tap **Synchronize** from the menu.

Note: To access a checked out eBook and corresponding notes from another device, you need to move the book back online. From the **My Checkouts** screen, tap **Move Online**. You must be online to synchronize your checkouts and download eBooks.

Note: This is a new app and not an update to previous Follett Reader apps. If you are currently using the Follett Digital Reader app, please uninstall it and download the new BryteWave K-12 Edition app.
